Student Release

Amazon Career Choice has conditionally approved your application to Associate Degree. Upon confirmation of the accuracy of information you provided during the application process, you are eligible to receive assistance for 100% of tuition and eligible fees up to your yearly program maximum. Based on your remaining budget, the maximum amount Amazon will pay is \$5,250 (USD). The amount could change prior to your tuition payment if you were reimbursed for books/fees in that time period. You are solely responsible for paying any course tuition and fees above the annual maximum and all other fees or expenses incurred not covered by Career Choice.

By signing below, you, Carl Thomas Taylor understand the guidelines of the program and that you are responsible for any ineligible tuition and/or fees. You will assess any impact to your personal tax or tax credits that may result from this payment. By signing below, you also agree to the terms and conditions listed below.

Terms and Conditions

The named employee on this application has been approved to receive assistance for the program Associate Degree. The tuition payment related to this application cannot be applied towards late fees, meals, lodging, parking, other programs not specified, or other fees not associated with enrollment. The employee is responsible for any costs exceeding their annual Amazon Career Choice budget or excluded by the above. The employee is responsible for knowing their eligibility date and the current amount of Career Choice funds available to them and can find this information through www.AmazonCareerChoice.com or A to Z. The start date of classes must occur after the date that the employee becomes eligible for Career Choice. If the start date is before the eligibility date, the tuition will not be paid. If the application is submitted after the course start date, the tuition will not be paid. The employee authorizes Amazon to collect and access, and authorizes the school to release and disclose to Amazon, the employee's education records, including attendance, academic performance, classes, credits attempted, credits earned, career placement records, and financial transactions. The employee acknowledges that the above information is being collected and/or accessed by Amazon to facilitate the Amazon Career Choice program and to help Amazon manage its working relationship with the employee. As a result, the employee acknowledges that the above information may be used or disclosed by Amazon for the above purposes or for any other purpose(s) as associated with the employee's employment or the Amazon Career Choice program. The employee also acknowledges that their participation in the Amazon Career Choice program is conditional on the employee's consent to the collection, use and disclosure of the above information on the terms outlined above. The employee understands that if they do not consent to that collection, use and disclosure then the employee will be unable to participate in the Amazon Career Choice program. The employee also acknowledges that Amazon's Privacy Policy contains information about which Amazon entity is collecting the above information (and their contact details), how the employee may access this information and seek correction of this information, and how the employee may complain about a breach of their privacy (and how that complaint will be dealt with). Further, the employee also understands that the above information may be transferred to countries outside of their home country and that the employee
